Influencers Prayer

“Lord, I am your disciple. I love You and I will spend the rest of my life desiring to know You better. Today I will make time to be still and know that You are God. Your Word is my strength and my sword. I will be a person of prayer, for it is through prayer that I am connected to You and Your will. I will love my spouse the way You love me. I will love my children with the nurturing grace modeled by Jesus. I will serve others while desiring no recognition. I will follow You wherever Your Spirit leads me. I know You will be with me wherever I go. I will not be afraid, for I know you have gifted me and empowered me to be an Influencer.”
